

TOUR 1

Stavanger - Hardangerfjord - Bergen

3 - 5 Days, 5 Ferries,
Approx. 600km (375 miles)

Start your journey by ferry from **Stavanger** crossing to **Tau**, continue by driving along road number 13 which is the primary route through Ryfylke to **Sand**. Follow on to road number 520 (The Røldal Road), this primary route takes you through some impressive areas via **Sauda**; or just continue on route 13 to **Røldal**. Drive towards **Odda** and continue along the east side of Sørfjord to **Lofthus**. Ferry across the Hardangerfjord from **Brimnes**. *A detour can be made here, through to Folgefonna (Glacier), take the ferry over Hardanger Fjord.* Continue via **Voss** through to **Bergen**. Pick up the European road number 39, which will take you along the coastline to **Halhjem**, continue by ferry to **Stord** and then through the worlds longest 'sub-sea' tunnel to **Valevåg** and on to **Haugesund**. Travelling south, take the 'Nordsjøvegen' (The North Sea Road) to **Skudeneshavn** and continue by ferry to **Mekjarvik**.

(The Røldal Road) Primary Route 520 is closed during the winter months. Pre booking is not available for ferry crossings.

Noteworthy topics:

Breathtaking waterfalls, Stave Church, Museums, Rambling & Bicycle trips, Fjords & Mountains, impressive Coastline & Islands. The worlds longest 'sub-sea' tunnel.
