WHERE TO FIND US

## Greater Stavanger Economic Development

We work in close relationship with the regional political and administrative leaders and with the private business sector and academia to promote and develop commerce in the region.

By focusing on strategic business development we aim to make the region an attractive and lucrative area for commerce. Through utilising marketing analysis, networking and study, we intercept the various signals and trends that enable us to advise and assist in meeting the needs and challenges for productive and stable business development in the region.
